FireAlpaca

1. Download and install

Go to https://firealpaca.com/   Click on the button for either Mac or Windows download.

2: Keyboard Shortcuts

b = Brush. This is very handy to return to the brush tool after using the Eraser.

e = Eraser.

Ctrl+c = Copy

Ctrl+v = Paste

Ctrl+z = Undo

Ctrl+t = Transform. Enables changes to a selection.

Ctrl+d = Deselect. Dismisses the selection.

space = Hand tool

Ctrl+space = Zoom

l = Lasso selection tool

m = Rectangle selection tool

v = Move tool to move a selection

h = Hand tool to move the canvas

Ctrl + Alt + Move the brush on the canvas = Changes the brush size (moving the brush to the right makes it bigger, moving it to the left makes it smaller).

Ctrl+o = Open

Ctrl+s = Save
